Options

The Tender 17, with her teak deck and wooden steering wheel, has a classic feel; her stainless steel handrails also act as footrests.

These are just some of along list of options : the shipbuilder has provided many ways to personalise the boat, including a steering console and hardtop.

As for comfort, various sets of upholstery are on offer - forward.

sundeck, cockpit bench seat and aft locker . All mattresses can be stored on board thanks to the impressive volume of the front locker. The number and diversity of her fittings are unprecedented for a boat of this size - it's certainly one of the strengths of this model along with the choice of colour, steering console and various features of comfort and elegance.
